For the term of this Agreement, the Employer recognizes and acknowledges that the SEIU Addus Negotiating Committee and its local unions affiliated with the Service Employees International Union is the exclusive collective bargaining agent for all its In-Home Supportive Services (IHSS) and other direct service employees in the bargaining units listed in Appendix A of the National Master Contract, including SEIU locals with current contracts settled prior to national agreement, and in units in which SEIU is chosen to represent Addus direct care employees pursuant to this agreement, herein referred to as "employees," excepting all guards as defined in Section 9(b)(3) and supervisors, coordinators, clerical, managers and Executives as defined in Section 2 (11) of the National Labor Relations Act. The employees and local unions covered under this Master Agreement shall constitute one (1) bargaining unit.

Article 30 describes the recognition procedure for currently unrepresented employees during the term of the agreement. Article 30 Section 8 describes the classification of employees to which the agreement is directed and the purpose for labor neutrality in the listed states.

To the extent that this Agreement conflicts with provisions of extant agreements between Addus and SEIU locals that are party to this Agreement, this Agreement shall apply.

ARTICLE 3 SCOPE OF AGREEMENT

SECTION 3.1

This Agreement concludes negotiations between the parties on the items covered in this agreement.

SECTION 3.2

SEIU local unions and Addus shall negotiate over economics and other subjects not addressed in the National Agreement, as detailed in Addendum entitled List of Items Already Resolved and Therefore Not subject to Local Bargaining attached to the National Master Agreement. In the event the appropriate SEIU local and Addus cannot reach agreement, the parties will utilize the following dispute resolution process prior to engaging in other actions.

Mediation and fact –finding:

- A. The SEIU local and Addus representatives shall develop a joint status document that reflects the parties' positions on the open issues.
- B. The parties shall meet with a neutral fact finder who shall review the parties' positions and recommend a path to settlement.
- C. The fact finder shall consider: Addus funding from all sources for the bargaining unit and Addus' ability to make a reasonable return on investment; worker wage and benefit standards from other unionized homecare companies; and, Evidence that both parties have advocated in good faith for funding increases from the payor.
- D. The fact finder shall issue a written recommendation outlining ideas for settlement. If there is no settlement after 60 days of fact-finding and receipt of written recommendation, the parties may resort to other actions.

ARTICLE 4 UNION SECURITY

SECTION 4.1 UNION MEMBERSHIP

Each employee shall be required to become a member, or pay an equivalent fee designated by the Union, of the SEIU local Union no later than the thirty-first (31) day of employment, and to remain a member of the Union until the expiration of this Agreement. Any employee who fails to satisfy this obligation shall be discharged by the Employer and the Employer shall provide written notice to the SEIU local Union of such discharge within thirty (30) days.

In states where membership cannot be required, any employee who joins the union after the effective date of this Agreement or its application to the employee shall maintain his/her membership until the Agreement expires.

SECTION 4.2 UNION LIST

The Employer agrees to furnish to the relevant SEIU local Union, every thirty (30) days, a list of its employees to include names, addresses, phone numbers, employee numbers, birth dates and social security numbers. In order to provide the Union with timely, accurate information on the names, addresses and telephone numbers of bargaining unit employees, as well as the date and reason for any terminations, the Employer further agrees to provide the local Union with the local Union portion of the dues deduction authorization card for all newly-hired employees, and a list of terminated employees, on a monthly basis during the term of this Agreement.

SECTION 4.3 PAYCHECK DEDUCTIONS

The Employer agrees to deduct from each employee's pay all authorized fees, dues, assessments, deductions (up to four (4) total) and list accrued time off as required by the SEIU local Union agreement, upon voluntary authorization executed by each employee directing the Employer to make such deductions. The Employer shall make such deductions from the employee's paycheck following receipt of such authorization, and periodically thereafter as specified on the authorization, so long as such authorization is in effect, and shall remit same to the local Union within fifteen (15) days after the end of each pay period. The SEIU local Union will furnish all the forms necessary to be used for this authorization and will notify the Employer in writing of dues, fees, or assessments to be assessed within five (5) days of execution of this Agreement, and thirty (30) days before the effective date of any change. The Union will hold harmless the Employer against any claim or obligation which may be made by any employee by reason of the deduction of union membership fees, including the cost of defending against such claim or obligation.

SECTION 4.4 UNION SUMMARY REPORTS

The Employer agrees to provide a local union summary report containing the name, employee number, dues, and cumulative year-to-date totals of fees, dues, COPE/CAPE and other assessments for each employee under the local union's jurisdiction; the total gross wages for all employees combined; the total union dues for all employees combined; and the total number of employees in the payroll period covered. These local union summary reports shall list all

employees covered by this Collective Bargaining Agreement who were paid in the particular pay period. These reports shall be sent to the local Unions no later than fifteen (15) days after the end of each pay period.

If the Employer has now, or obtains during the term of this Agreement, the ability to provide the information required by this Section through any accepted method of automated data storage such as computer discs or other means compatible to the local Union's facilities, it will utilize such procedure, at the local Union's expense, to report under this Section and do so via electronic mail

ARTICLE 5 CLASSIFICATIONS AND CATEGORIES OF EMPLOYEES

SECTION 5.1 DEFINITIONS

For purposes of this Agreement, full-time employees are those who work an average of thirty-five (35) service hours each week. Part-time employees are those who work less than thirty-five (35) hours each week.

Employees who, through no fault of their own, drop below full-time status as defined above, or drop below a benefit-eligibility level stipulated elsewhere in this Agreement, for a period of three (3) consecutive pay periods, shall not lose benefits under this Agreement provided they are available for and accept reasonable assignments to restore their previous status.

SECTION 5.2 EMPLOYEE FLEXIBILITY

At the time a new employee is hired, he/she will be asked by the Employer how many hours per week he/she wants to work. Based on that, the employee shall be designated either a full-time or part-time employee.

The Employer will exercise its best efforts to assign the employee the requested hours, but shall not require the employee to work more than the requested hours. Once an employee commits to work a certain number of hours per week, then he/she will be required to accept client assignments up to that number of hours. Current employees who wish to increase or decrease their weekly hours must submit the request in writing to the Employer at least two weeks in advance. Requests shall be granted based on provisions of this Agreement and shall not interfere with the Employer's ability to provide services.

ARTICLE 6 VACANCIES

At a minimum, when a bargaining unit position opening occurs within the Employer, the Employer agrees to notify the local unions and post these openings on the bulletin board. Expansions on this Article in local agreements, which do not conflict with this minimum standard, are permissible.

ARTICLE 7 DISPATCHED WORKERS/MENTORS

SECTION 7.1 GENERAL

The Employer shall establish the position of Dispatched Home Care Aide ("Dispatched HCA"). Addus shall establish and post open Dispatched HCA hours as needed and based upon client service demands. Dispatched HCAs are used to temporarily fill emergency, substitute and/or difficult to staff assignments and to mentor new HCAs as assigned. Dispatched HCAs shall not be granted client assignments on a regular or long-term basis.

SECTION 7.2 DISPATCHED HCA HOURS

Dispatched HCAs shall be paid on a regular, guaranteed hours basis to include mileage for travel from home to first client and travel from last client to home.

Full-time dispatched HCAs shall be available for and paid for forty (40) hours per week, regardless of whether or not client hours are available during this time. Part-time dispatched HCAs who are assigned less than a full time schedule

shall be available for and paid for the number of weekly hours they work in a "dispatched" assignment and regardless of whether or not client hours are available during this time. All Dispatched HCAs shall be advised of their "on duty" schedule to include a daily start and end time.

SECTION 7.3 DISPATCHED HCA POSITION, OPENINGS AND ASSIGNMENT

The Labor Management Relations Committee shall develop a written Dispatched HCA Job Description, which shall be attached as a part of the Agreement.

Openings for dispatched HCA positions shall be filled based on the level of demonstrable skills as delineated in the Dispatched Worker Job Description. In filling open dispatched HCA positions among competing qualified candidates, seniority shall apply. An HCA's ability to perform non-HCA duties (including, but not limited to, office clerical work) shall not be considered when filling dispatched HCA vacancies.

Dispatched HCA positions shall be opened and filled at the discretion of each Addus branch office.

The Employer may require dispatched HCAs to wait by the phone at home, or to perform non-HCA duties in an Addus office, during hours for which the dispatched HCA is being paid. Dispatched HCAs shall make their best effort to perform non-HCA duties as instructed. Failure to perform non-HCA duties in a manner satisfactory to the Employer shall not be considered just cause for discipline, except in cases of gross misconduct.

When becoming a dispatched HCA, the employee and Employer shall meet and develop a list of the employee's skills and abilities. Dispatched HCAs assigned shall agree to accept all client assignments offered consistent with the agreed-upon list of their skills and abilities. Dispatched HCAs who decline client assignments that are consistent with their agreed-upon skills and abilities may be subject to reassignment to regular (non-dispatched) home care aide status.

ARTICLE 8 ORIENTATIONS

SECTION 8.1 IN-SERVICE TRAININGS

The Employer agrees that a period of time will be made available before or after each in-service training meeting, or before or after any scheduled break during the training, but not beyond normal office working hours, for Union Stewards and/or Union Representatives to address members of the bargaining unit. Management or supervisory personnel may not be present unless mutually agreed to by union and company. Such meetings shall not disrupt the in-service schedule, have a maximum duration of thirty (30) minutes, and shall be conducted in accordance with Article 22: Dignity and Respect.

The Employer agrees to inform the local Union of regular in-service training dates, times and locations one month in advance and other in-service training dates, times and locations in advance. The local Union must inform the Branch Manager of its desire to address the bargaining unit members at a scheduled in-service training two days in advance.

SECTION 2: UNION PRESENTATION AT NEW EMPLOYEE ORIENTATIONS

Reasonable time, but not longer than twenty (20) minutes, shall be granted for a representative of the Union to make a presentation at the orientation of new employees on behalf of the Union for the purpose of identifying the organization's representation status, organizational benefits, facilities, related information, and distributing and collecting membership applications. If the Union representative is an employee of Addus, the employee shall be given time off with pay for the time required to make the presentation. The Employer will provide the Union reasonable notice of the place and time of meetings for the orientation of new employees. If the agency does not offer an orientation within thirty (30) calendar days of hire, a Union representative may request to meet with the new employee or group of new employees in the bargaining unit. Subject to prior supervisory approval regarding scheduling, the Union representative will be allowed to meet on work time to cover these same items. Such time is limited to twenty (20) minutes.

ARTICLE 9 NO DISCRIMINATION

The Employer and the Union agree that there shall be no discrimination with respect to employment or conditions of employment on the basis of race, color, physical and/or mental disability, marital status, national origin, ancestry, gender, sex, sexual orientation, age, religion, veterans status, union membership and activities, or other consideration made unlawful by federal, state, or local law.

ARTICLE 10 UNION RIGHTS

SECTION 10.1 RIGHT TO STEWARD

For purposes of representation and mutual administration of the contract, the local Union will designate stewards from among its members employed by the Employer. The local Union will notify the Employer

SECTION 10.2 BULLETIN BOARD

The Employer will provide a bulletin board, in an area easily accessible to employees in each branch office, for union postings. The local union agrees to apply reasonable standards of good taste when posting local union notices.

SECTION 10.3 EMPLOYEE COMMUNICATIONS

Addus will assist in distribution of union meetings and activity notices on a branch-by-branch basis. At a minimum Addus agrees, at the request of the SEIU local Union, to include regular Union written communications, including but not limited to newsletters, with all mailed or hand distributed correspondence or communication with employees, including but not limited to paychecks, timesheets or in-service notifications provided that:

- a. The Union shall submit to the Employer the information at least two weeks in advance of the pay date upon which the union wishes the literature to be distributed or at least 3 days in advance of the date the company will mail the material.
- b. All literature submitted for insertion in pay envelopes shall be clearly identified as Union-produced material.
- c. In the event that the insertion of union material increases the cost of mailings to the employer, the Union shall reimburse the Employer for the additional cost.
- d. This section is intended to refer to paper materials or other small promotional items that can be easily inserted into envelopes. The materials will not be such that the insertion requires significant additional time on the part of the Employer.

SECTION 10.4 PAY CHECK PICK UP

Where agreed to by both parties, on a branch by branch basis, Addus agrees that regular employee check pick up will be conducted at the local SEIU Union office. It is the goal of the company and the union for the company to offer direct deposit within 18 months after the signing of this agreement. The company will provide a status update to the union every six months.

SECTION 10.5 UNION LEAVE

- a. Any employee elected or appointed to an office or position in each local Union shall be granted a leave of absence for a period of continuous service with each local Union not to exceed two (2) years. The leave may exceed two (2) years in cases where the term of office exceeds this period. Thirty (30) days written notice must be given the Employer before the employee takes leave to accept such office or position, or before such employee returns to work. Such leave of absence shall be without pay.

- b. A leave of absence without pay shall also be granted for no more than ninety (90) days to conduct each local Union's business provided fifteen (15) days written notice is given. The Employer and each local Union shall cooperate in the scheduling of substitutes, so that employees on leave can return to their job positions upon ending their leave. If this leave lasts more than five (5) days the Employer will not be able to guarantee the employee their same clients or same hours. If the Employer determines it will harm client services, the Employer can deny a leave request to the employee serving the affected client, until the Employer can find a substitute. If more than one leave of this kind is taken per year by the same employee, the second or additional leave request shall be at the sole discretion of the Employer.

ARTICLE 11 PROBATION

The first six (6) months of employment shall be the probationary period for all new employees. During this period the Employer shall discuss performance problems with the probationary employee if it appears that this may help the employee successfully complete the probationary period. Probationary employees are covered by this Agreement and enjoy the same legal rights as other employees under the National Labor Relations Act; however, the Employer may discipline or terminate a probationary employee without cause and a disciplined or terminated probationary employee shall not have recourse to the grievance procedure.

ARTICLE 12 MANAGEMENT RIGHTS

It is mutually agreed that it is the duty and the right of the Employer to manage the facility and direct the workforce. This includes but is not limited to, the right to hire, transfer, promote, reclassify, layoff, reduce hours, set and administer work performance and disciplinary standards, and discharge employees subject to the conditions as set forth in this agreement.

The foregoing statements of rights of Management and of the Employer functions are all-inclusive and shall not be construed in any way to exclude other functions not specifically enumerated, except when such rights are specifically abridged or modified by this agreement.

ARTICLE 13 NO STRIKE NO LOCKOUT

There shall be no strike, slowdown, or other stoppage of work by employees represented by the Union and no lock out by the Employer over the issues covered in the National Master Agreement during the life of this Agreement.

ARTICLE 14 DISCIPLINE AND DISCHARGE

SECTION 14.1 JUST CAUSE

The Employer shall have the right to discipline employees and to discharge employees for just cause.

SECTION 14.2 UNION NOTIFICATION

In any case where a home care aide is the subject of a written formal warning the Employer will notify the home care aide of the purpose of the meeting and their option to have a local union representative present when the meeting is scheduled. Prior to commencing review of the written formal warning at the scheduled meeting the home care aide will be given a form to confirm that they have been offered the option to have a union representative present. The confirmation will be attached to the written formal warning as part of the permanent record of the meeting.

Within ninety-six (96) hours after any discharge, the Employer will notify the local union in writing of the discharge and the reason for this action. Failure to do so will not affect the termination or its validity in any way.

SECTION 14.3 INTERVIEW BY UNION

A local union representative shall have the right to interview employees and Employer personnel concerning discharge and discipline matters. Employer personnel shall have the right to have another employer representative present in such interviews. Such interview shall not interfere in any way with the Employer's business activity. Such interview is to be for informational purposes.

SECTION 14.4 EMPLOYER RULES

The Employer may establish reasonable work rules necessary to regulate employees' conduct at work. Work rules shall be conspicuously posted and made available to all employees. The employer will advise the local union of any proposed changes to the work rules 30 days in advance.

SECTION 14.5 EMPLOYEE CONFERENCES

When an employee is called into conference at which the Employer intends to investigate the possibility of imposing discipline on him or her or to notify him or her of his/her discharge or suspension, the employee has the right to request the presence of his or her local union representative at such conference. If an employee makes such a request, the Employer agrees to make time available when the participating Steward and employee are not assigned to work or the Employer agrees to compensate the employee and the Steward for time missed from normal work assignments.

SECTION 14.6 PERSONNEL FILES

Any information regarding disciplinary action, e.g., warnings, placements on probation status, or formal evaluation reports prepared by the Employer shall be placed in the employee's personnel file and a copy shall be made available to the employee. The employee shall be offered the opportunity to sign the document indicating that s/he has seen it and shall have the right to add a written reply to it. The Employer shall allow employees access to their personnel file at reasonable times. Employees shall have the right to submit written comments up to twice the length of the item being replied to or two (2) pages, whichever is longer replying to any material in their file, which comments shall also be maintained in the personnel file.

ARTICLE 15 GRIEVANCE PROCEDURE

SECTION 15.1

A grievance is hereby defined as a claim against, or dispute with, the Employer by an employee or the local union representative involving an alleged violation by the Employer of the terms of this Agreement and/or the Employee Handbook. An individual employee or group of employees shall have the right to present grievances and to have such grievances adjusted without the involvement of the local union, as long as the adjustment is not inconsistent with the terms of this Agreement and/or the Employee Handbook and the appropriate local union representative has been given the opportunity to be present at such adjustment.

SECTION 15.2

Grievances shall be handled in the following manner:

The company and the union agree that wherever possible, problems should be solved at the earliest possible step. The union shall have the right to present a grievance orally to a supervisor or director in an effort to resolve the grievance. If a grievance is so presented, the company will waive the thirty (30) calendar day deadline for the union to present a grievance in writing in Step One. The company will respond within 5 business days.

Step One:

If no settlement has been reached by the grievant and the employer, the company's time line has expired or the union or employee has opted not to present the grievance orally, the grievance shall be reduced to writing and shall be presented by the grievant and/or the union to the Agency Director or his/her designated representative within thirty (30) calendar days from the date of the occurrence of the facts or from the date the alleged violation first became known; provided, however, that in the case of a grievance based upon or related to the discharge of an employee, such written grievance must be presented within thirty (30) calendar days after the date of discharge. The company will respond in writing within 10 days.

Step Two:

If no settlement has been reached by the grievant and the employer or the company's time line has expired, the grievance shall be presented by the grievant and/or the union to the Regional Director or his/her designated representative and copied to the Regional Vice President within thirty (30) calendar days of the company's last response or, if no response was received, within thirty (30) calendar days of the expiration of the company's deadline to respond. The company will respond in writing within 10 days.

Step Three:

If no settlement is reached or the employer does not respond within ten (10) calendar days after the date the grievance is presented to the Employer as provided in Step Two, then the local union shall, within the next thirty (30) calendar days, give notice to the regional Vice President of its intent to arbitrate. The time limits in this Article may be extended by mutual agreement of the official representative of the parties.

SECTION 15.3

In the event that a dispute proceeds to arbitration, the local union and employer shall make a good faith effort to agree on an arbitrator. In the event the local union and employer are unable to agree, and not later than five (5) days from receipt of the first request for arbitration, the local union and employer shall select the list of arbitrators as follows:

- a. The American Arbitration Association (AAA) shall submit a list of five (5) arbitrators to the union and to Addus.
- b. Within five (5) working days after receipt of the arbitration panel, the parties shall meet to select and place in numerical order the arbitrators through the process of elimination by alternately striking names.
- c. The party to strike first shall be selected by a toss of the coin.

The jurisdiction of the impartial arbitrator is limited to:

1. Adjudication of the issues which under the express terms of this Agreement and the submission agreement setting forth the issue or issues to be arbitrated, which shall be entered into between the parties hereto, are subject to submission to arbitration;
2. Interpretation of the specific terms of this Agreement and/or the Employee Handbook which are applicable to the particular issue presented to the arbitrator;
3. The rendition of a decision or award which in no way modified, adds to, subtracts from, changes or amends any term or condition of this Agreement or which is in conflict with any of the provisions of this Agreement and/or the Employee Handbook; and
4. The rendition of a decision or award based solely on the evidence and arguments presented to the arbitrator by the respective parties.
5. The rendition of a decision involving the administration or interpretation of insurance plans or contracts, including pension plans; and those issues related to interpretation of the health and dental plan rules for

eligibility, cost to employees, the union and the company. The arbitrator shall not have jurisdiction over internal rules of the insurance plan itself which are outside the employer's control.

SECTION 15.4

The arbitrator will render a decision within thirty (30) calendar days after the hearing. The decision shall be final and binding upon the Employer, the local union and the employees affected, provided that this does not preclude any party to this Agreement from seeking judicial review as provided by law. The costs of the arbitration shall be born by the losing party.

ARTICLE 16 RIGHT OF ACCESS TO EMPLOYER'S PROPERTY

SECTION 16.1

The Employer agrees to admit to its offices the authorized representative of the local Union for the purposes of adjusting grievances and conducting other legitimate, appropriate Union business. The representative shall advise the Employer of such visits in advance by notifying the Director of his/her designated representative.

SECTION 16.2

In the exercise of the foregoing section, there shall be no interference with the productive activities of the Employer.

ARTICLE 17 LABOR MANAGEMENT RELATIONS COMMITTEE

SECTION 17.1

The Employer and the Union shall establish a Labor-Management Relations Committee. The purpose of the Committee shall be to consider matters affecting the relations between the Employer, the Union, and the employees, and to recommend measures to improve client care in specific and the industry in general; provided, however, the Committee shall not engage in negotiations, nor shall the Committee consider matters properly the subject of a grievance.

SECTION 17.2

The Committee shall be composed of up to five (5) Union representatives, including a health and safety representative, and up to five (5) representatives of top and line management. In addition, the President or Executives of the organizations, or their designees may attend the meetings. Other provisions for this Committee are as follows:

- a. The Committee will be co-chaired by one of the employees and one of the Employer Representatives.
- b. The Committee may meet quarterly, but no less than once per calendar year, at a time mutually convenient to the Union and the Employer.

2. The wage and benefit standards will be negotiated, subject to the level of funding, the standards of the procurement document, and the requirements set forth in the procurement document, and;
3. The wage and benefit levels for home care aides will be agreed to in writing, and;

ARTICLE 40 ORGANIZING

This Article describes the procedures that will be followed when the union seeks to represent currently unrepresented employees and shall apply to all, current and future, unorganized IHSS (as defined in Section 8 below) Addus branch offices and any other offices or units agreed to under Article 42 in this agreement.

SECTION 40.1 NEW RELATIONSHIP

The parties are committed to establishing a new form of relationship that they collectively believe will be mutually beneficial. This relationship will be founded on

- a. Addus ceasing all opposition to its employees achieving Union representation and Addus taking a neutral approach to such unionization, and
- b. The parties' acceptance of a fair and expeditious procedure for determining whether Addus employees who are currently unrepresented wish to be represented by the Union.

SECTION 40.2 EMPLOYEE LIST

Within seven days of Union's written request, Addus shall provide to the Union alphabetical lists of all currently unrepresented full-time and part-time IHSS employees or other employees agreed to per Article 42 (a) working within an Addus branch office or (b) employed pursuant to any contract between Addus and any third party, which list shall include the name, address and telephone number for each employee. This list will be updated monthly if requested by the Union.

SECTION 40.3 UNION ACCESS

As soon as reasonably practicable after a request by the Union for access, Addus shall grant access to at least five Union representatives during working hours for the purpose of allowing the Union representatives to speak to the employees, request that they sign Union authorization cards and otherwise seek support for Union organizational activity. The employer will allow the Union use of conference rooms for such meetings. The Union will use its best efforts not to interfere with the normal and routine business activities of Addus, and Addus will not interfere with the Union's activities or distribution of literature.

SECTION 40.4 ADDUS NEUTRALITY

Addus, its officers, agents, supervisors, managers, department heads, consultants, contractors and other persons or entities with actual or apparent authority to speak on behalf of the Company, will remain neutral regarding Union organizing efforts and will not address the employees concerning the recognition process other than through the joint statement described below in Section 6.

SECTION 40.5 UNION COMMITMENT

In consideration of the promises and agreements contained herein, the Union will not strike or picket for recognition at any Addus facilities, provided that the terms of this Article are adhered to.

SECTION 40.6 JOINT COMMUNICATION

The parties will issue a jointly drafted statement to unrepresented employees at all organizing branches describing the neutrality agreement and outlining the recognition process. Addus will distribute the statement with employee paychecks.

Addus will provide time, not less than twenty (20) minutes, during an existing in-service training or call a special meeting for employees for the purpose of allowing union representatives to describe the organizing process.

SECTION 40.7 COMMUNICATION

The SEIU local coordinator for each branch shall provide the Addus Agency Director with copies of any literature to be distributed to employees and the opportunity for the Addus Agency Director to comment to insure the literature is consistent with the spirit of the agreement.

SECTION 40.8 BARGAINING UNIT

For purposes of recognition under this Article, the appropriate unit for purposes of collective bargaining shall be: All full time, regular part time hourly employees and per diem employees working in any Addus IHSS branch or working under any IHSS contract, or any other contract as agreed to under Articles 42, between Addus and any third party or any combination thereof as designated by the Union.

IHSS is defined as employees who provide In-Home Support Service in California, direct service or personal care service workers. Personal care service workers include those who provide chore services or homemaker services to consumers who qualify for publicly paid home and community-based services.

SECTION 40.9 BRANCH ORGANIZING SCHEDULE

Upon ratification of this agreement all, current and future, unorganized Addus IHSS branches shall be able to organize according to the procedure described in this article.

This applies to but is not limited to branches in Pennsylvania, Delaware, Illinois, Indiana, Missouri, Idaho, Washington, Oregon, and California.

The parties agree that in Arkansas, Alabama, New Mexico and other locations that may come into operation during the life of this agreement (excluding those named in the paragraph above), the company and the union will sit down together to set mutually beneficial goals around expansion prior to commencing organizing.

SECTION 40.10 CARD CHECK OR EXPEDITED NLRB RECOGNITION

Addus shall recognize the Union as the exclusive representative of currently unrepresented employees in any appropriate bargaining unit, as defined in Section 8, upon either a showing that a majority of those employees have expressed their desire through a card check process to be represented by the Union or upon a majority showing in a consent election administered by the National Labor Relations Board. The Employer shall agree to the method of recognition selected by the Union. However, if the union presents cards signed by less than 55% of employees at the relevant Addus branch, the company shall have the right to request an expedited NLRB election.

A. If the Union chooses the NLRB process, the Employer agrees to immediately execute a consent election agreement. Pursuant to NLRB procedures, SEIU must file a representation petition with the appropriate office of the National Labor Relations Board ("NLRB"). Subsequent to this filing, SEIU shall notify the Employer and the NLRB of the

date, time and method of the election. The Employer shall agree to the election date, time and method set by the Union unless there are special circumstances that warrant a different date or time. The Arbitrator shall be empowered to decide any disputes over the date, time or method of the election.

1. The appropriate unit will be the unit described in Section 8 above.
2. The NLRB will conduct the election and count the ballots. Any challenged ballots, challenges or objections to the election must be filed pursuant to the arbitration provisions of this Article, and all parties acknowledge and submit to the arbitrator's exclusive authority to rule on such objections and any determinative challenges and the parties waive their rights to have the NLRB resolve any objections or determinative challenges. The parties will take all necessary steps to effectuate the arbitration process and the arbitrator's decision regarding objections and/or determinative challenges.
3. If a party wishes to file objections to the election based on allegations of violations of the Agreement, either party must file such objections in writing with the Arbitrator within three (3) business days of the election as well as filing objections with the NLRB pursuant to NLRB timelines and procedures. Pursuant to Section 12, the Arbitrator shall resolve these objections within 14 days of his/her receipt of them. In the case of the filing of such objections, both parties will request that the NLRB hold objections in abeyance pending the decision of the Arbitrator and take any additional steps necessary to effectuate the Arbitration process and the Arbitrator's decision.

B. If the Union chooses the card check recognition procedure, the employer hereby expressly waives its right to an NLRB election and agrees to recognize the Union upon a showing of majority support. In connection therewith, the parties shall observe the following procedure:

1. The demonstration of majority support shall be by card check, utilizing an authorization card, or petition designated by the Union.
2. For purposes of determining the number of employees that constitute a majority of the bargaining unit, the cutoff date for determining unit population will be that date that the most recent and appropriate list(s) were furnished by Addus as provided in paragraph 2 above.
3. The card check shall take place within fourteen days of the union's first request.

SECTION 40.11 APPLICATION OF CONTRACT

When the Union is recognized pursuant to the procedures set forth in this Article as the representative of the employees at a previously unorganized Addus branch, the terms of this National Agreement shall apply to the newly represented employees. These newly represented employees shall be part of the single bargaining unit described in Article 2. The parties shall then meet as soon as practicable to commence bargaining in good faith concerning matters subject to local bargaining.

SECTION 40.12 COVERAGE

This Article applies to all currently unrepresented employees currently employed by Addus and to all such employees hired during the term of this Agreement pursuant to any expansion, acquisition, new contract, or for any other reason.

SECTION 40.13 DISPUTE RESOLUTION

Any dispute over the meaning or application of this Article shall be resolved through final and binding arbitration. All disputes shall be heard and decided by the arbitrator. The arbitration shall be expedited so that the arbitrator shall issue an award no later than 14 days after either party makes a request for arbitration. The arbitrator's award shall be final and binding on the parties. The parties agree to use the process outlined in Article 15: Grievance Procedure in the selection of an arbitrator. If either party fails to comply with the decision of the Arbitrator, it hereby consents to

enforcement of this Article and any decision of the Arbitrator in any court of competent jurisdiction and waives any defenses it might have to such enforcement. The parties agree not to file petitions (except as specified in this Article) or charges with the National Labor Relations Board, which may be handled under this Article.

SECTION 40.14 APPLICATION TO OTHER LABOR ORGANIZATIONS

If, prior to the execution of the NLRB consent agreement between the parties or prior to the date set for counting authorization cards, another union seeks to represent the employees in the new branch, such union shall be offered the opportunity to execute an agreement identical to this Organizing Article covering the employees for which representation is being sought. The Union and the Employer will suspend the election process or card counting process for seven (7) days for the intervening union to consider and execute the agreement with the Employer. If the intervening union refuses to enter such an agreement, then the election or card check process shall continue between the Union and the Employer under the terms of this Agreement. If the intervening union agrees to execute the agreement, all processes that call for agreement between the Employer and the Union are amended to read between Employer, the Union and the intervening union. Where disputes require mutual agreement, the agreements must be tripartite. Costs for arbitrators will be split three ways. If the Union files or has filed an NLRB petition, the intervening union must file an intervention pursuant to NLRB procedure in order to be subject to the terms of this Agreement.

However, during the term of this agreement, the Employer shall not grant voluntary recognition to any other labor organization for any group of employees subject to this agreement.

SECTION 40.15 INDUSTRY ASSOCIATIONS

In States where the company is a member of a home care industry association, the company, upon the Union's request, will advocate the benefits of neutrality agreements and encourage the association and its members to meet with the union to discuss neutrality.

ARTICLE 41 BUSINESS DEVELOPMENT

Within 30 days of the signing of this agreement, Addus and SEIU will form a business development committee that is tasked with establishing specific business development initiatives with measurable objectives and time frames. The express goal of this group is to identify opportunities and impediments to the mutual and relatively equal growth of both the Union and the Company.

The group will be chaired by one representative from each entity and will be made up of employees and representatives from each organization whose participation will vary based on specific development projects.

The committee will hold meetings no less than quarterly throughout the duration of the agreement. The group will establish business expansion benchmarks, target locations, numbers of workers and/or clients and a schedule of work related to each of the projects initiated for Addus/SEIU expansion. The committee shall make decisions by the written agreement of both parties.

Both parties want to grow their organizations. During the term of the Agreement, the company's business should increase at essentially the same rate as the Union's Addus Health Care employee membership.

The Company and the union agree that both entities and the organized workforce benefit from a committed, sustained effort and coordinated plan for establishing an effective local union specifically focused on home care services. The effectiveness of the local union and the Company should be measured on their collective ability to: shape public policy for state funded homecare programs, increase funding and reimbursement rates for said programs; and build capacity within the political arena to advocate with key decision makers. The Union and the Company agree to commit to this objective prior to any expansion of the nationwide bargaining unit.

The Company is currently engaged in an aggressive effort to acquire entities in the field of home care and expects the effort to continue for the foreseeable future. The Union agrees that it has significant growth opportunity in organizing

these newly acquired locations of the Company. The Company and the Union agree that it is necessary to proceed cautiously with regard to organizing and negotiating contracts for these previously unorganized acquisitions in new states and markets in order not to impede the company's ability to perform future acquisitions or to limit the company's competitiveness in bidding on future acquisitions targets. To assure the acquisition strategy continues, the Company and the Union agree to achieve one or more of the following initiatives before the Union invokes its rights under Article XX in relation to any Home Care Service locations where the Company's operations are the result of an acquisition of a previously unorganized entity and are located in a state where the Company and the Union do not have an existing collective bargaining agreement.

- a. A reimbursement rate increase in the primary publicly financed home care service program of the location.
- b. The party's efforts result in a funding increase, policy change or other activities that increase the Employer's base client census a minimum of 10% in the publicly funded home care services program in which the company participates in the state.
- c. The Union organizes other bargaining units within at least three other agencies in the market of equal size to the Employers operations in the primary publically financed home care service program of the location or representing at least 10% of the private sector employees in the primary publicly financed home care service program of the location.

Both parties expect the relationship to improve at the local, state and national levels. Whenever possible, the parties will work together to improve funding to the programs, wages and benefits and working conditions for employees, and to expand opportunities for consumers to remain safely and productively in their communities. To this end, the Union agrees to facilitate dialogue between Addus Health Care and consumer and interest groups with which it has a relationship. In States where the company is a member of a home care industry association, the company, upon the Union's request, will propose the association adopt a neutrality resolution towards union organizing. The company will encourage the association and its members to meet with the union to discuss neutrality.

The parties agree that consumers should have the right to choose how the services they receive are delivered. SEIU plans to continue its longstanding alliance with the consumer organizations and Addus shares an interest in consumer satisfaction. Therefore, whenever possible, the parties will promote the independent living approach to home care service delivery. In some cases the consumer(s) may prefer to have an agency-directed option available. During the term of the Agreement, the parties will work cooperatively to make the agency option available in such cases. This cooperation will not preclude either party's interest in preserving or maintaining or promoting alliances with consumer organizations.

Although not an exhaustive list, the following are some of the business development opportunities the committee will address.

- a. Home Care Services business development in existing or new Addus and/or SEIU states. Initial targets of growth in existing states would include, Pennsylvania, Delaware, Missouri, Indiana, Idaho, California, while initial targets of growth in new states include Arizona, Colorado, Louisiana, Maryland, Massachusetts, Michigan, Nevada, New Jersey, New York, Minnesota, Connecticut and Wisconsin. It is the goal over the term of this agreement that the work of this committee will lead to the initiation of fifteen (15) new sites serving existing Addus states and the initiation of services in at least one site in ten (10) new states. All new offices would be immediately eligible for SEIU organizing.
- b. During the term of the agreement, SEIU and Addus will jointly advocate that California counties (with a goal of IHSS caseloads of 2000 or greater) that do not currently offer a mix mode of care will initiate the mixed mode of service delivery. The committee, with local input, may discuss possible target counties on the basis of volume, ability to secure an organized workforce in contract mode, the interests of both parties in preserving or maintaining, or promoting alliance with consumer organizations and a strong likelihood that Addus would be successful in the bid or application as contractor. .

- c. Respite (Fill-in) Services for Independent Providers. The committee will draft mailings to be sent to Independent Providers/Personal Attendants in states where both SEIU represents the IP/PAs and Addus provides IHSS services. The letter will offer Addus as a preferred choice to the consumer and IP/PA for services should the IP/PA become ill, need vacation relief or temporary services if the consumer is between IP/PAs. At the request of the Company the Local SEIU will agree to approve and send mailings (no more frequent than quarterly) to all individual providers represented by SEIU in all states where Addus/ SEIU both operate. The Company shall bear the costs of all postage and material costs related to these mailings.
- d. The committee will discuss the organizing of and methods of communicating the skilled services offered by Addus to the Independent Providers/Personal Attendants in states where both SEIU represents the IP/PAs and Addus provides skilled services. Communication will be positioning Addus as a choice to the consumer for the delivery of skilled, intermittent home care services and coordination of care with the IP/PAs.

The committee will discuss ways that SEIU can assist Addus in becoming the preferred provider of home care services from organizations organized by or affiliated with SEIU (Hospitals, nursing homes, pension funds, Federal and State programs, employers, insurers, advocacy groups, etc.) and the organizing of those workers.

1. SEIU and Addus will discuss the possibility of Addus obtaining a contract to serve the Los Angeles market through the Area Agency on Aging and City of Los Angeles. The goal of the ensuing contract will employ at least 200 home care aides after the first year and continue to grow over the term of the contract.
2. The committee will work proactively on opportunities and threats identified in the areas of Medicaid reform, Managed Care, Cash & Counseling and other significant policy issues surrounding long term care services.
3. SEIU and Addus will make mutual introductions to advocates and interest groups as requested.
4. The committee will explore capital strategies of joint interest to Addus and SEIU in the financing of acquisitions.

ARTICLE 42 TERM OF AGREEMENT

This agreement shall be effective immediately, and shall remain in full force and effect through July 31, 2015, unless disapproved by a membership vote held within 120 days of the date of execution of this agreement, or unless amended by mutual written agreement of the parties. The agreement shall be automatically renewed from year to year thereafter unless either party provides written notice of intent to modify the agreement at least sixty (60) days prior to the anniversary date of the contract.

If there occurs a substantial change in the reimbursement rate, or state-mandated requirements change substantially, either party has ten (10) days after the close of the legislative session, to request negotiations over the impact. Should the parties reach impasse in such negotiations, the parties agree to binding arbitration, as stipulated in Article 15, Section 3.

Weingarten Rights

Rule 1: The employee must make a clear request for union representation before or during the interview. The employee cannot be punished for making this request.

Rule 2: After the employee makes the request, the employer must choose from among three options. The employer must: grant the request and delay questioning until the union representative arrives and has a chance to consult privately with the employee; deny the request and end the interview immediately; or give the employee a choice of having the interview without representation or ending the interview.

Rule 3: If the employer denies the request for union representation, and continues to ask questions, it commits an unfair labor practice and the employee has a right to refuse to answer. The employer may not discipline the employee for such a refusal.
